Block Time 2019 - 2020

If you presently are a Block Time owner, you have until June 30 to renew your block. So that there are no misunderstandings, please read carefully the rules for Block Time which are part of the application form.

If you are new to Block Time, we will accept your application any time. If we still have your requested time available after June 30, you will be given the time. If not, we will let you know, and give you the opportunity to choose another time.

Some of the following points might help you in your consideration of Block Time.

- (1) Please consider your Block Time purchase as a final purchase. Once you have bought it, you own it for the agreed time period. You may sell it, but the club will not purchase it back from you.
- (2) Block Time is separate from our Point Packages. You may not use points to pay for Block Time, except for Low Time Blocks, paid on a weekly basis. We only allow that option for private organizers who have different players playing each week.
- (3) We never guarantee a particular court, because the club's needs change periodically, and we may need to assign you to a different court.

If you have further questions, please call or e-mail the club. Thanks

LaVerne Hinan (Manager)
