# **Block Time 2023 - 2024**

If you presently are a Block Time owner you have until June 30 to renew your block. So that there are no misunderstandings, please carefully read the Block Time rules on the attached application form.

If you are new to Block Time you may submit your application any time. If we still have your requested time available after June 30 you will be given that time. If not we will contact you and work with you to choose another time, providing there are times available.

Some of the following points might help you in your consideration of Block Time:

- 1. Block Time purchases are final. Once payment is made you own it for the agreed upon time period. You may sell it, but the club will not purchase it back from you.
- 2. Block Time is separate from our Point Packages. You may not use points to pay for Block Time, except for Low Time Blocks that are paid on a weekly basis. We only allow that option for private organizers who have different players playing each week.
- 3. We never guarantee a particular court. The club's needs change periodically, and we may need to assign you to a different court.
- 4. Some holidays are not booked by default. Holidays which were not requested on your original application may be added for an additional charge only if the court has not been booked by another player.

If you have further questions please call or e-mail the club.

Thank you, LaVerne Hinan (Manager)

## **2023/2024 Information**

It is possible, subject to availability, for a group of players to create a recurring Low Time Block booking to play together for the season. Blocks require one player to act as a group leader and contact and who asssumes responsibility for the Block in the case of non payment.

Blocks for the 2023/24 winter season will run from Oct. 2 2023 to April 28 2024. Please check the status of Holiday dates on the application form and note any changes you need for your group.

The club guarantees a court, but not a specific court.

## **Low Time Block Time Payment Options**

Low Time Blocks may be set up as either paid in advance or paid weekly. Paid in advance Low Time Blocks are \$33.40 per court per hour, with payment due by the first day of the block. Paid in advance blocks are not guarenteed until full payment is recieved. Paid in advance block time sales are final. A 5% senior discount (Age 60+) may be applied. For paid weekly Low Time Blocks regular court rates apply. Points may **only** be used for paid weekly Low Time Blocks.

Payment may be made by:

- Cash.
- Postdated cheques (maximum of 8, first cheque dated no later than Oct. 30).
- Interac Debit.
- Credit card (Visa, MC, AMEX, Apple Pay, Google Pay).
- e-transfer submitted to rctc@bellnet.ca.
- Postdated credit card payments are **not** accepted.
- Points (paid weekly only).

#### **Low Time Block Cancellations**

**If paid in advance**, a block group may request that a block court be cancelled. If the court is sold by the club, a refund in the form of a points credit will be applied to the accounts of the registered payers. If the court remains unsold no refund will be provided.

**If paying on a weekly basis**, with 7 days notice, a block group may request that a block court be cancelled. Two (2) cancellations during a season are allowed. No-shows will be treated as cancelled courts, subject to the above.

## **Application and Acceptance**

An application form is included on the other side of this sheet. Block applications for the full winter season are now being accepted. Present Block Time holders have until June 30 to renew. As of July 1, Block Time will be allocated on a first come first served basis to others who have applied. After Oct. 2 partial blocks, to begin on the next available day, may be purchased if time is available. The club reserves the right to limit blocks in any time period.
