Reopening July 19 2021!!!

RCTC will be reopening Monday, July 19 for summer play. Under the current reopening guidelines we will be continuing with the following safety precautions while at the club:

- Masks will continue to be mandatory in the clubhouse and until you reach your court for all players, vaccinated or not, until the province lifts the mask mandate.
- The clubhouse is limited to 10 players at any one time.
- Downstairs changing rooms will remain closed until further notice.
- Social distancing guidelines remain in place at the clubhouse.
- The lounge and bar are closed.
- Players who do not currently have access to online booking will still not able to book online. Once the effects of the pandemic have stabilized we will be able to offer this service to new players again.

Summer Hours (July 19 to October 1)

Monday to Thursday - 8:30 am to 1:00 pm & 5:00 pm to 10:00 pm Friday - 8:30 am to 1:00 pm *CLOSED Afternoons, Friday evenings, Weekends, and Holidays*

Please Note

- (1) In past years, players have been able to play during closed times. This will not be possible this summer as staff will not be available as required under COVID regulations.
- (2) It is possible, at the discretion of the pros, to book lessons during closed times as long as you have points to cover your court fees. In this case Courtside Tennis Academy is taking responsibility for the safety of their clients. Lesson bookings are taken by Harry Greenan at Courtside Tennis Academy, who can be reached at courtsideta@gmail.com or by phone at 529-242-9494.

Summer Rates

- · Rates are considerably lower during the summer.
- Playing on a summer points package is the best deal that we offer, but winter points may also be used year round.
- Players taking lessons outside of our regular hours <u>must</u> have points to cover their court fees. If you are unsure how many points you will need the desk staff can help you with this!
- Not interested in summer points? Pay the rates shown below each time you play

Court fees per player, per hour:

| Players per court | Price per player | Points |
|-------------------|------------------|--------|
| 4 players | \$6.00 | 0.7 |
| 3 players | \$7.50 | 0.8 |
| 2 players | \$9.00 | 1.0 |
| 1 player | \$12.00 | 1.4 |

Summer Point Packages:

- Summer points are used to pay for court fees for general bookings and play groups. They may not be used to pay for group lessons.
- This year summer points are available to purchase in any amount after a minimum purchase of 10 points per purchase.
- Summer points this year cost \$3.25 per point, less than half what you would pay if you do not purchase a point package!
- Summer points are <u>non-refundable and will expire on October 1, 2021</u>. Any points not used by that time will be lost, so calculate your needs carefully.

Summer Groups

The only open group the club offers in the summer is the Tuesday Lesson and Play group. Sign ups for this group are done weekly on a first come first served basis. Like in the winter, players who are signed up for one week may not sign up for another week until the day they are scheduled to play. This is done to ensure everyone has the chance to sign up at least sometimes!

Tuesday Lesson and Play Hours:

- Intermediate Level (3.0 3.5): Tuesdays, 12:00 am to 2:00 pm
- Advanced Level (3.5 4.0): Tuesdays, 1:00 pm to 3:00 pm

Tuesday Lesson and Play Rates:

- \$16.00 or 3.8 Summer Points or 1.6 Winter points per week
- During the summer rates for this group are the same whether you stay for the one hour or two.

For this upcoming Tuesday, July 20, Please email the club to sign up as we are not yet open regular hours for call ins. For subsequent weeks reservations may be done by phone or in person in the same manner they were done in the winter. Reservations made by phone are strongly preferred as our system is not set up to track which emails came before which calls or vice versa, and we do not want to miss signing you up because of too many methods of registration.

If you play in a semi-private group during the summer you will find details in a separate email.
